PAPERS FOR SEMINAR, PUBLIC TALK AND LECTURE

- 1 Lim, L P, Effects of 'simple' periodontal treatment on periodontal health. Paper presented at Continuing Dental Education, 25 November 1993, Lecture Room 2, College of Medicine Bldg, Singapore. (Jointly organised by Chapter of Dental Surgeons, Academy of Medicine, Singapore and Singapore Dental Association).
- 2 Lim, L P, F Tay and J Koh, Periodontal diagnosis and treatment planning : case studies. Paper presented at NUS Postgraduate Dental Studies Continuing Dental Education Course "Periodontics in General Practice with 'Hands-on'", 15 April 1994, Faculty of Dentistry, NUS, Singapore. (Handouts distributed (10 pages)).
- 3 Lim, L P, Problems of root instrumentation. Paper presented at NUS Postgraduate Dental Studies Continuing Dental Education Course "Periodontics in General Practice with 'Hands-on'", 22 April 1994, Faculty of Dentistry, NUS, Singapore. (Handouts distributed (4 pages)).
- 4 Lim, L P, Healing following scaling and root planing. Paper presented at NUS Postgraduate Dental Studies Continuing Dental Education Course "Periodontics in General Practice with 'Hands-on'", 22 April 1994, Faculty of Dentistry, NUS, Singapore. (Handouts distributed (6 pages)).
- 5 Lim, L P, Assessment of gingival responses and future treatment planning. Paper presented at NUS Postgraduate Dental Studies Continuing Dental Education Course "Periodontics in General Practice with 'Hands-on'", 22 April 1994, Faculty of Dentistry, NUS, Singapore. (Handouts distributed (3 pages)).
- 6 Lim, L P, Role of chemotherapeutic agents in Periodontal therapy. Paper presented at NUS Postgraduate Dental Studies Continuing Dental Education Course "Periodontics in General Practice with Hands-on", 17 June 1994, Faculty of Dentistry, NUS, Singapore. (Handouts distributed (20 pages)).
- 7 Lim, L P, Overview of non-surgical Periodontal therapy. Paper presented at NUS Postgraduate Dental Studies Continuing Dental Education Course "Periodontics in General Practice with 'Hands-on'", 17 June 1994, Faculty of Dentistry, NUS, Singapore. (Handouts distributed (12 pages)).
- 8 Lim, L P, Periodontal abscess : Differential diagnosis and clinical management. Paper presented at Society for the Advancement of Gnathology, 22 August 1994, Orchard Dental Centre, Singapore.
- 9 Lim, L P, Role of the Periodontist in the delivery of oral health care in the community. Paper presented at The Practice of Periodontics : Current Status & Future Challenges, 12 August 1995, Equatorial Hotel, Kuala Lumpur, Malaysia. (Invited Speaker (1 hour lecture)).

- 10 Lim, L P, Predictability in periodontal therapy. Paper presented at The Practice of Periodontics : Current Status & Future Challenges, 12 August 1995, Equatorial Hotel, Kuala Lumpur, Malaysia. (Invited Speaker (1-hour lecture)).
- 11 Lim, L P, Development in diagnostic techniques : Implications in clinical practice. Paper presented at The Practice of Periodontics : Current Status & Future Challenges, 12 August 1995, Equatorial Hotel, Kuala Lumpur, Malaysia. (Invited Speaker (1-hour lecture)).
- 12 Lim, L P, Periodontal abscess : Diagnosis & clinical management. Paper presented at Periodontics in Perspectives, 12 August 1995, Equatorial Hotel, Kuala Lumpur, Malaysia. (Invited Speaker (1-hour lecture mainly to members of Malaysian Dental Association)).
