Overseas Speakers

Professor Yu Guangyuan DDS PhD
Professor Yu is one of the top oral and maxillofacial surgeons in China and his unit is the leading institution in Oral and Maxillofacial / Head and Neck Surgery. He is one of the pioneers in microvascular transfer of submandibular gland for severe keratoconjunctivitis and has published over 250 articles in international journals and author of over 20 reference books in various aspects of oral and maxillofacial surgery. Professor Yu has won numerous academic awards and sits in numerous national committees, councils and editorial boards in China.

Professor Xu Tianmin DDS PhD
Professor Xu Tian-Min holds the position of Chairman, Department of Orthodontics at the Peking University School of Stomatology. Apart from his graduate level orthodontic training, he received his PhD in 1992 from the Beijing Medical University and received a further two years of post-doctoral experience in clinical orthodontics and three-dimensional imaging research under Prof Sheldom Baumrind at the Department of Orthodontics University of California, San Francisco.
