Past Events

Past Events

Despite the constraints of COVID-19 pandemic on travel, the workgroup managed to organise a series of Virtual Exchange Programmes

#SCONE

#SCONE

Students **C**ollaborating **O**nline to **N**etwork and **E**mpower

1

Compare learning environments and experiences of students across the four dental schools located in different countries

2

Identify the similarities and differences in the oral health related challenges of patients in different countries

3

Co-Develop a global vision for dentistry and dental education towards and beyond 2030

Three Workshops organised on **25th Sep**, **16th Oct** and **30th Oct** and more than 25 students from partnering Universities participated and shared their learning experience as dental students and exchanged ideas about global oral health issues.
